8:00 Clarity Rows.

8:30 him went to see McA. and on his

9:00 return he calls for Pablito Nador + me.

9:30 He starts his talk in the same old

10:00 manner of how he wants to serve

10:30 us. He springs the idea that he had

11:00 wanted to leave the PA sometime next

11:30 year but that not now because if he

12:00 leaves now his actions may be interpreted

12:30 as sympathy with the group that is

1:00 quitting. I stopped him short on this

1:30 point saying how could it be when

2:00 some probably stay. And even if all

2:30 quit, if he quits in Jan. or Feb.

3:00 there should have elapsed enough

3:30 interval to wipe out such an

4:00 interpretation. It wound up

4:30 McA. did not tell him anything

8:00 a lecture on the cold bloodedness
 8:30 of the letter which must in turn be
 9:00 answered cold bloodedly. I says about
 9:30 officials of this govt who do not help
 10:00 that such officials would not have
 10:30 any more opportunities as the Pres
 11:00 will down them. I retorted that this
 11:30 is the origin of sabals and other
 12:00 discontented elements.
