MALACAÑANG
MANILA

I have ordered a study in depth of all
our efforts of counter-insurgency ^{Economic Development} ^{social reform} ^{in the} ~~but~~
The civilian agents must be strengthened to
the Home Defense Force and the New People's Army.
stop the expansion of the Hukos and the New People's Army.
Emergency plan by phases & compartmentalized
in the event of massive sabotage, terrorism and infiltration
Counter-action by pre-assigned units and officers and men
Sifted the limitation of flights of foreign
carriers ^{for one year} but Pan Am must be paid \$1 million for
to promote the route and build the own terminal. ^{Costly \$1,500,000}
No more transient visas ^{needed for}
Development of the tourist belt, police
security for tourists including certification of taxicab
companies, kigaytan, Compadon, Batasan, Pagsanjan -
Mandi Hydrofall to Compadon & Batasan Area
Will ask the tourist & business community
to talk to the publishers to tone down on crime.
As ~~stock~~ ^{new} loans will again be allowed
for mining and export industries.
Speaker Laurel and Sen. Pura ask for
support for their respective candidacies. ^{The} ^{supplies} ^{of} ^{granite} ^{are} ^{starting} ^{to}
plot against me. Jimmy Lopez has recovered enough from
hypoglycemia to order the Manila Chronicle to attack
me and the Marcos foundation.
