MALACANANG
MANILA

The Villeral group has obtained 67 signatures. What is the best of Mayor Banjo Laurel who died in a helicopter crash at 10:00 PM. See the other night their heli went out of gas, landed, refueled with ordinary gasoline, took off at night and crashed. I do not help Pepito Laurel, he will lose the speakership fight.

Have postponed the caucus to Wednesday after Banjo's funeral. Will visit Jimmy Lopez at the Iserales Hotel tomorrow, at the suggestion of the VP, Harding Joe Aldager.

Received six vessels from the US requested by Amb. Byrnes, three for the Navy, one for the Coast Guard, the money of Navy headquarters than a courtesy call from Mr. For Mason, head of the Board of Trade of England, from the City and Civil officials, Ramon Jacinto and San.
