December 2nd 1925

Today I had a conference with Wood regarding the Budget Bill, the Appropriation Bill for Public Works and the Source Bill - regarding the first, I told the Gov. I had no interest in the matter beyond showing that we could pass a budget Bill which is scientific - having done that the Gov. Gen. could approve it or not to suit himself, but notified him that no further effort will be made, so long as he was the S. F. and I the leader of the ^{majority} party to pass a budget Bill. His main objection was to the
