(VICE PRESIDENT OF THE PHILIPPINES)

Dec. 21, 1976

Dear Prime Minister Kim Keon-saeng  
to join the seats as well as establish  
fund of a bilateral military agreement  
the Philippines outside ASEAN.  
I counsel him this is unnecessary and  
dangerous  
We should fight subversion and insurgency  
the principle that each country exercises this  
sovereignty. Help should be limited to intel-  
ligence as well as of information.  
This is embodied in the Joint Communiqué.
