

MALACAÑAN PALACE
MANILA

Feb. 21, 1977

Met the Executive Committee of the
Council which received the report
of the Castro as well as the latest
of Minister Ali Abdussalam Turki
the threatening termination of the negotiations
because of the call to a plebiscite.

Spaldin and I sent letters to Pres.
Ferdinand Marcos appealing for his intercession to
prevent the failure of the negotiations.

Attached copy of my letter of
Minister Ali Abdussalam Turki.
