April 22, 1970
Malacañang

Met with the Congressmen all morning
Wednesday is Congressman Day

Worked out with Cesar Virata and Greg
Sicaros, the final shape of the export tax bill
in conference with Sens. W. Fernandez, chairman of
the Com. on Ways and Means who is suspected of
receiving lobby money for the special treatment
given to certain commodities; Conys Castillo &
Pluongbian as well as Sen. Velasco the House
Majority Floor Leader.

Spent the afternoon on the Army problems
and the plans for counter-subversion.
Located the two islands in Indonesia
where Larry Truckman, Comar's partner, is logging
under a concession granted by Pres. Suharto.

Received the surrender this morning of
Commander Sanboval, the top HMB of Nueva
Ecija. He is willing to surrender his men.
A certain Dr. Nicolas is negotiating the
surrender of Dante but Dante is afraid of
Agung (whatever that means)
