Regionalization of Malacañang —

to happy people

Rich in spirit if not in worldly goods

Life coming out of a deep dive in skin diving — to
come to the provinces
Davao — the mineralized and progressive

province
while in Manila — strikes, threat of violence,
or blasting of oil companies fuel tanks, selfish demands
conflicts

Sumner Myrdal's mistaken conclusion
the Western World's propensity to judge
us in terms of their levels of culture and material
development.

Population explosion — the necessament
of its extent and need of control by UN
