On board the 777 on a party for Evelyn Rothschild after which we sleep on board to wake up in Subsonic MALACAÑAN PALACE and then to Talaga MANILA

April 21, 1973
Saturday

Woke up at 6:30 A.M. to leave for San Fernando by car arriving there at 8:45. Inelda, Bongbong, Evelyn Rothschild and the rest came to San Fernando by plane. Evelyn Rothschild stayed to water ski with Haling, Ricky, Bongbong and us.

Left the water at 10:30 A.M. Took off at 11:25 A.M. Landed at 12:10 A.M.

Lunch with Evelyn and Inelda at the Music Room.

Evelyn is in addition to heading the Rothschild Bank in London is Chairman of the Board of "The Economist" which has an Economist Intelligence Unit. I have asked it to send a team of two men to see where the English can be of help. of hand on New Town Planning.

He is also interested in the Manila Hotel and the spreading out of our dollar reserves and gold stock away from the U.S. banks.
