MANILA

Arrived from Ilocos Norte by Toktar
at 11:10 AM.

Press interview at 1:00 AM.

1. Bued River Bridge opened to traffic
at 9:00 AM. By 12:00 AM, about 1000 trucks
had passed the bridge. ^{and physical survey}
2. Ordered air photography to determine
the encroachments on the river and estero beds.
These encroachments should be removed after
receipt of notice - including those belonging
to big corporations.

Squatters (poor homeless displaced persons
will be resettled in the Carmon area or in the
new Agri-Industrial area to be set up after the
Iserquim-Infanta East West Road has opened up
the virgin areas.

Sugar is still scarce in the market. I am
ready to order the confiscation of all stocks.

Weather good. Played golf but Brownout
stopped the game after the first five holes.

A low pressure area building up east of
Catarman.

I insert Intelligence Reports in Envelope XXA 117-C
and D.
