MARACASIN

Test of Bouyboy II successful. We received the rocket although the nose was smashed in some rocks we will keep it in our museum to 100
We now go to the production of 50 kilometer
back to land rockets by the end of the year and
5000 in three years

Spent the whole morning there which I needed by
the end of the day. I had a talk with
his Washington office. The officials were very
committal on the request for surplus.

Talked to Inelda at about 4:30 P.M. She
is in London and preparing for her trip to Moscow
on Tuesday

Saw the final game between U.S. and
Canada on the world softball championships on TV.
Canada won on the 11th inning on a home run 3rd
Am working on the listing of projects.
