Slept till 11:30 AM. Conference with the doctors, lunch at about the same time. Dep for 15 minutes. Golf from 3:30 to 5:00 PM and exercise for 30 minutes. Visiting of Angie Simpos's son to the daughter of Brad Vidal who kept telling me I still could do a lot in two years. Back to the palace at 8:00 PM.

Called up Secs Romulo Ponce Enrile, Abad Santos, Dulcher and Minister Hamilton to set up the conference with the two American base commanders of Subic and Clark with our people at 6:00 PM at the Palace tomorrow in preparation for the briefing by Sec. Ponce at 9:00 AM Monday at Barbarita Hall for the senators, representatives, governors, city mayors, municipal mayors and civic organizations on the use by the U.S. Armed Forces of their bases in the Philippines.

The AP quoted the Pentagon as saying that most of the shells and bombs used in Vietnam came from Subic Naval Base which is "the main supply base of the 4th fleet." This is denied by Minister Hamilton as unauthorized.

Referred the Magriñe de la Riva rapists' case to Sec. Abad Santos for further re-consideration in view of the appeal of the convicted man, his lawyers and relatives.

Helda is still feeling well although the doctors are now more pessimistic because of the reduction in the count of the gonadotropin although the count of the hormones and the progesterone has been steady.  
But we are praying that the pregnancy will be normal and everything will be well.
