Could not play golf nor exercise because I have contracted a cold and seem to be feeling a general malaise symptomatic of the flu.

Took two <sup>pill</sup> Decolgen yesterday morning and a pill of Decolgen and one pill of Thyrolid three times a day until today.

But met my visitors anyway.

11:00 - Faruk Bertel the UN Invasion Coordinator

11:30 - I asked Sen. Padilla to decrease the number of those going to the Annual Assembly as of now there are 68 & would like to cut this by half.

11:45 - Speaker Villares at 07:00 said in intemperate of speech. He called four officers of the Central Bank a bar to the race and in a high voice.

This was during the conference on the Recovery Act of 1972 so called.

12:00 PM - 2:15 PM - Received the congressman and told Cong. Anis that he was in the business of drug carriers.

This evening I met with Com. Evangelista who is suspected of corruption with his sons I warn him and frankly told him I would have to remove him. Then Delegate Ruben Ducent.

And Com. Roman, Joe de Venosa and 2 members of Western Oil who are preparing to drill in the Iloilo seas.

Cloto Santos an organ. He owns the (Gazeta).

Then Gen. Espino. I place his reports in Envelope XXXIV-
