Worked on the State of the Nation address and the information campaign.

It seems that all the newspapers are going to pool their resources to fight the parliamentary system being debated in the Council - all because they believe I am for it.

The negotiations on the Phil. Induction and agreement have bogged down. We must get Amb. Farolan to ask the Phil. Gov. and transfer the negotiations from Batavia to Jakarta.

They are getting around this afternoon. Much stronger now. and meetings are slowly going.

Reorganization in AFP and other departments still going on.
