Am feeling heavy from the anti ^{typhoid} injection and the histamine or anti flu vaccine.

Started the reaction after golf at about 8.00 PM. Had to take two ^{Aspirin} tablets as I have started to be feverish (9:30 PM)

Breakfast conference with the senators and congressional leaders. There will be a special session and no recess after adjournment on the 15th of May.

Agreed on the priority bills.

The Jambel engagements continue with the troops having the upper hand.

Talked to Sec. Cesar Vireta in Manila as well as Alex Melchor and Bert Kodaro. Gave instructions on the conferences.

Worked with Harry ^{Cross} on the commodity loan projects; the Muslim question with Mike Tamana and Ali Dimajeno; the infrastructure requirements.

TV interview by Rey Pedroche. Attack the posthumous.
