MALACAÑAN PALACE

MANILA

But it is still the media that is the principal cause of disunity.

We may be able to overcome the communists and the criminals, clean up government and develop the country, but the media will continue to stir up turmoil in order to survive and for them to sell either newspapers or TV time.

And there is only one way to stop the media. While the violence seems to have died down, the communists like white ants are slowly eating up the structure of our Republic.
