Reports are reported on the plans of the HPA to cause violence on or about the 24th of January (opening of congressional sessions).

I enclose the intelligence reports.

Worked on the State of the Nation address. Am not contented. Too dry, not inspirational.

Invite for Dr. Barco, Executive Director of the World Bank.

Invite for Pres. Takeshi Watanabe of the Asian Development Bank.

Invite has gone to the birthday party of Ling (after the dinner).

Increased tariff on polyester fiber.
