I attach my orders.

Met the cultural universities leaders on the development of their areas and the choice of the CMI Commissioner and Ambassador to Saudi Arabia (Jeddah)

Bitter recriminations between Cong. Ali Dingporo and Sen. Juanito Tamano on the alleged disloyalty of Tamano and his associates, ex. Sec. Gen. Kasan Marahomae for Commissioner of CMI for campaigning for Princess Tarbata Alonto Sudman, the Liberal candidate.

Looks like the First National City Bank of New York will purchase on Benny Tash's Rubicon investment of about \$4 million to be used in 1964 to purchase control of the PFI - about 72% of PFI shares. A group headed by Paronis Helaso Pres of Pulo Red and Republic Glass as well as Tony Roxas of Bancor are ready to take over.

The transfer of the Nichols Air Base facilities to Sangley Point should be phased over a four year period.

In the meantime the old Balibago Airport area can be used for the establishment of the Training Center in the IMA.

Prepare the plans accordingly. In the meantime plans for a new IMA in the Bulacan Pangasinan coastline (reclamation) should also be prepared.

Dir. Quiza,

You should not review
any decisions made by you
when you were Director of
Forestry.

All pending cases should
now be disposed of and
submitted to us.

There should be no further
constructions in the Fort Bonifacio
area that has been set aside
for sale or for use by the
Civil M.A. I believe some going
on.
