MALACAÑAN PALACE
MANILA

At 1:30 AM, two hand grenades were thrown at the dance floor of the town fiesta of Cabugao, Ilocos Sur, where only Gov. Chavit Singson and Mayor Agoncillo of Cabugao were dancing. This resulted in 8 killed and 123 wounded.

I sent Sec. Johnny Ponce Enrile, Gen. Ramos and Gen. Tomas Diaz to Cabugao this morning. They arrived tonight with the report above attached diagram of site of crime by Sec. Ponce Enrile.

The possibilities are the following:

1. NPA diversion from Isabela (This is the idea of Sen. Benigno Aquino)
2. Bingbong Crisologo's followers in pursuit of the vendetta
3. The work of Chavit Singson wanting to put the blame on Bingbong Crisologo.
4. Personal enemies of Chavit Singson or Mayor Agoncillo.
5. Persons who want to discredit the Marcos administration or the Singson administration or the Crisologo or Agoncillo or all of the above.

I leave for Baguio at 2:30 PM to attend the Graduation Exercises of the Philippine Military Academy.

Benny Toda bought back the $8 million worth of shares of PAL from CALTEX today.

And the Gravimetric test of Manila is again positive!
