Monday

MALACAÑAN PALACE  
MANILA

Consultative Groups - Amb. Baudry - a total of \$ 270 million have been committed as loans to the Philippines project and commodity loans and the new \$ 75 million loan

Jack Finney - he came to reiterate the request of Pilgrate Quintero to allow him a way out.

Dean Crispin Baigas came to tell me that he is filing a libel suit against George Sison (Linda de Venkati) (Antonia) for Cong & Mrs. Eudring Cuyugan.

Sugar - There is no sugar in the market

See. Quizon says the traders are hoarding the sugar bought from the producers at low prices

Fiding Montelibano says the traders will not bring out the sugar unless the prices set by the PCC are increased because the sugar was bought extensively in the documents of sale at low prices but the traders had to shell out undocumented additional amounts under the table

Rice -

Villamor is weak and I must appoint a general manager.

Pineda and Cluqui are quarreling about the allocation of vessels for Camarines

Tony Tupyay came to explain he was against Macapagal

Contingency plans of the Armed Forces - John Pono Encile, Tom D... and Col. Walter Plom... the plans of the AFP HPA for 1972 which includes not only expansion, reequipping and training but also... and... leaving for the US tomorrow to attend to the schooling of... in... and in... at Washington before that.
