Monday

MALACAÑAN PALACE

Mansion,  
MANILA  
Baguio City

I have just come with Inulda and the children with some of the retreatants <sup>from</sup> Mirador to see that the retreat starts. I sleep here at the Mansion tonight and proceed to Mirador for the meditation at 5:15 AM the first activity.

Arrived at 11:05 AM by plane taking the South-Baguio flight in about 40 minutes. A little cloudy but the east was clear and sunny. The plane had to go back for Inulda and the children. Played 7 holes at Kamao (Mansion) so that we could save time, then changed to a barney at the 8th tee and some black shoes in lieu of my golf shoes and went to the conference hall to host a lunch for a guest for the City Mayor's convention.

and changed to a suit for the PMH graduation. I arrived at 5:40 PM and finished at about 5:00 PM. The clouds threatened to, but did not rain.

Still cold in Baguio even in March.

Invited 8 generals - Deputy Chief of PC - Filer, 2nd PC Zone Commander Navarro, 3rd PC Zone Commander Amor, Task Force Payakasan Commander ~~Amor~~, Juvado del Norte, Luis Action Group Commander Castro, H-2 Paz, Tomas Defensor (Deputy Chief)
