MALACAÑAN PALACE
MANILA

Friday

Imelda has just left by PAL (7:30 PM) for London, on Monday to Madrid, then back to London and on to Moscow, back to London, although we have asked the possibility of her visiting Panama, Yugoslavia and Austria too.

So I brought her to the display of the Progressive Car Manufacturing Project where she was covered by media.

I place the newspapers of today in Envelope No. XVII - F
