Spent practically the whole day 11:30-12:30 AM and 3-8 PM on a public hearing on the Progressive Car Manufacturing Program in view of the decision of HEC reversing the BOI including the Universal Motors among the participants in addition to General Motors, Chrysler - Mitsubishi, Delta, DMG and Ford.

In the morning after a game of golf, I attended to the problems of gold-mining, inducted the new colonels and Gen. Ramos of Task Force Saraway, said goodbye to Gen. Ardson of Intracom who is going into farming in Palawig, Zamboanga, decided on Col. Montoya's Executive to take his place, decided to retire Commodore Lini of PMA, conferred with Gen. Ramos and Sec. Ponce Enrile.

The Libyan delegation comes tomorrow. I attach the DFA paper on it. I suggested to Sultan Hassan Bin, the Libyan Ambassador that the Serto and the Furo game agreement could be resorted to guarantee the neutralization of Southeast Asia.
