MALACAÑAN PALACE

MANILA

Monday

Went at 7:30 AM into Aspark Park of Korea and Ambassador Kim. Hit 39 since I was par up to 8 where I hit a double boogie 5 and in no. 9 where I hit a birdie from the outside.

Then met Mayor Gonzon who pleaded to be allowed to help me and the committee party. I have ordered a conference on the police and peace and order tomorrow with the Chiefs of Police, PC and here Caran.

Enjoyed the interview this noon on Impact.

"You have been running around with the wrong crowd." "You presume promises that are false."

Then the prayers for Estela were held in the palace and a Japanese dinner.
