MALACAÑAN PALACE
MANILA

Ordered fuel (gas, kerosene, bunker, crude etc) and oil included among the items that can be commandeered in the flooded areas.

And I announced today that the Secretary of Justice has issued a ruling that constructions in esteros, river beds and banks are ~~unlawful~~ and can be removed without a judicial order.

And that we would call a meeting of local executives for the purpose of implementing it.
Poor rich people are violators than the poor.

I also announced the decision to reprogram the P1.5 billion set aside by the 5 year economic development program for infrastructure so that the projects for the calamity may be given priority.

We visited the ^{at 5:00 PM with Dep. Debin and other top} Junta Hydrographic model and topographical maps to reassess the flood requirements. [^] ~~Went by boat.~~

1. Repair existing dikes
Put roads on top
2. Finish dike system
3. Canals
4. Handy flood control

Am going to Baguio with the family tomorrow 12:00.
