Russ Volkman, Bob Blackburn and their wives arrived today for Betan's 30th anniversary.

Played golf with Russ and his wife Helen at Pangrany at 5:00 PM.

Jenny Toda asks for help. But Caltex has already taken over (the 44% of the PHT shares of as subrogee from FNCB).

He proposes to dispose of his half of it. I told him I could not help him and would wait for Caltex to act.

Met with the Sucman tonight (Don. Parbata Alato Sucman and Ex-Cong. Paschid. Sucman). I asked them to help on the Muslim question and I would help them on the release of funds for Texas del Sur.

At 10:00 AM I opened the celebration of the World Heart Foundation under the Phil. Cardiological Society, Phil Heart Assoc, and WHO.
