MALACAÑAN PALACE

MANILA

Played golf with Puro Valdecanon and his wife Helen, and Helen Cuyajing at 9:00 AM to 11:15 AM at the Manila Golf Club.

Then Anelda packed me up for the meeting of the International Veterans and the World War II veterans where I was guest speaker at 12:00 AM.

In this speech I revealed for the first time that the PKI of Indonesia (Partai Komunista Indonesia) had actually motivated the organization of the New Communist Party, the Kabataan Makabayan and other front organizations through Jose Maria Sison who shared the plans and charter with the Chinese International Operative.

I revealed that the Indonesian government had furnished our government with some documents to prove this.

Then I defined the policy of the strong right arm and the affectionate left arm.

As well as what the position of the veteran should be.
