Gen McArthur talks about Scout officers trying to argue and gain the point that there was no such promise about the one and the two rank in promotion. He tried to argue that the position of P5 officers as determined by Valdez-Garcia Ord board was in case they quit the USA and that their position as offered them in the damned letter was lower because they were no longer to be forced to quit their US ranks. He also said something about the WD being opposed to Mex rank of old A officers and that the position in promotion list of these officers was more or less determined by the WD. This is contrary to what Col E previously told me. Col E also cleared up his position by saying that there was such an understanding. him and Garcia also said that there was such an understanding.

8:00 On my turn I said the following:

8:30 (a) That the rank given these officers by the
9:00 board which he Gen. McA was allowing was
9:30 not sufficient to give them the same pay
10:00 men with their US retired pay.

10:30 (b) That the officers did not participate and
11:00 were not heard as to their opinions about
11:30 this rank and therefore it was too optimistic
12:00 to presume they would accept such ranks.

12:30 (c) That Col. Art sitting in the board was
1:00 probably trying to carry the understanding
1:30 of placing these officers at the top of
2:00 Major above Major, but that he had
2:30 forgotten that the Constabulary officers had
3:00 already received their promotion. It must
3:30 be remembered that the promise of one
4:00 rank was made in 1935 before the
4:30 general promotion of Constabulary officers.

5:00 (d) That I was the author of the
5:30 act 150 which gave double retirement to
6:00 Gen. L. & Capinpin in order to ease up
6:30 retirement.

7:00 (e) That there was no distinction as
7:30 to the reason why there were two
positions offered them — that fixed

8:00 by the V-D-G-board above Delarco and the
 8:30 one offered in letter, that quitting or not
 9:00 quitting the U.S. as a condition did not
 9:30 enter their minds as the ultimate end was
 10:00 to quit the U.S.A. and that any position
