8:00 Justice Larnel brings his boy to Gen L.  
 8:30 who in turn calls me up to help  
 9:00 the boy get a commission in the Army.  
 9:30 I made an estimate of the situation  
 10:00 calling on Col de Jeans and Hagdamedo  
 10:30 to enlighten me on the past history  
 11:00 of Justice Larnel and his connection with  
 11:30 the Japs. de Jeans says that the  
 12:00 expenses of the boy while at the Imperial  
 12:30 Academy were borne by Furuhawa,  
 1:00 who was also instrumental in getting  
 1:30 the boy there as a reward for past  
 2:00 services of Justice Larnel
