8:00 Olivares tells me that on his visit
 8:30 to Gen. McAll. he was told that the W.D.
 9:00 is the one opposed to the high rank of
 9:30 these officers. This does not seem to
 10:00 hold ground in view of the high rank
 10:30 given Pastor and Box.
 11:00 Victor receives his orders and it
 11:30 almost breaks my heart to see him go.
