8:00 Gen S calls for me. He tells me  
 8:30 not to quit even if everybody quits.  
 9:00 He says he did not have anything to  
 9:30 do with letter except in general  
 10:00 conference. He did not know the  
 10:30 details. I asked him about the  
 11:00 letter having been referred to the  
 11:30 Pres. He says the letter was not  
 12:00 referred. He says that after McA  
 12:30 has found our reaction he will lay  
 1:00 it before the President. He tells me  
 1:30 about the future of any outstanding  
 2:00 man, that nobody can down one,  
 2:30 but I saw that this is possible  
 3:00 if the opportunity is furnished him.  
 3:30 He also called Barclay and Jones. I  
 4:00 suggested that they handpick the men  
 4:30 they want, give them the rank and pay  
 5:00 and discharge the rest.
