23rd day — 343 days follow

Had several conferences w Caray,  
Cunanan, Australian Richards.

Had hot words w Col Garcia whom  
I accused w high handedness re report  
of board. The submitted report without  
my signature, Valdes approved report  
without seeing my minority report. Garcia  
is determined to railroad selection of  
Lacruico who is son in law Mrs. Alamo,  
who is wife Rep. Alamo, who is  
husband of Mrs. Alamo who is  
cousin to Sec Vargas, who is husband  
of Mrs. Vargas who is supposed to be  
aunt of Mrs. Garcia who is the  
wife of Col Garcia.

After these hot words I went to see  
him who went w me to Valdes. Valdes  
too is in this deal. The reason why I  
can not change his approval.

The way Garcia handles this business  
makes him unfit for any position of  
responsibility in this army.

Reception at Mal. for Consular Corps.  
A very beautiful park across Mal.  
Why should Savaterra be a guest at  
Mal.
