37th day — 329 days follow

Met today again on substitution of ROTC and NS cadets. Garcia tries to object to every little detail. He loses all the time as he has no real fundamental ground for objection. He objects to number of trainees to be trained during 1st period.

I am directed to prepare letter to the Pres. showing the manner in which economy shall be effected.

Arthur and tells us about the Pres. order re keeping secret the economy plan. It said that MacA was called to Malacanang in two hours after publication of news re national defense curtailment budget. I found that Pres. fears that this curtailment if known abroad may be a stumbling to independence program.

him tells me to prepare a letter to Pres. defending the NDA amendment re place of W.P. and Annapolis graduates in the seniority list

him tells Gen. Staff re action of certain women in connection w among inside Boston women objecting.

St Papa calls me up to tell me that I could ride Pompe in polo game but to keep the matter on the quiet. Papa told me Gen. has told him to tell me of this permission

Played polo and was thrown off as result of collision w Peter Perkins. Played on high goals.
