74th day — 292 days follow

At Baguio.

Alumni Day. I delivered an impromptu talk to alumni on the subject of professionalism.

It was ridiculous for May. A. Adams to enjoin the graduates to follow the footsteps of their predecessors, the constabulary so many of whom are not worth emulating.

Yusuf's trip.

Question of retention of officer for Cavalry branch. V. had a hopeless cadet assigned to Cavalry because he is his hipato. I told him about it and had Lt. Barchuck and Martinis to make the case strong. Monto is the best rider and should be assigned to Cavalry instead of Pacey, V. hipato.
