88th day — 278 days follow

Meeting w/ Chiefs of branches re disposition of cable traps of such branches.

Conroy, May Wilson, Lt Chandler of Stotsenburg came to see me.

V calls me up for conference w/ Gonzales Blacet + Pablo re target range road at San Pedro Tomas de Pablo proposes a lot of things which show complete ignorance of the problem involved.

Visited him who is sick due to taxi accident. He + Garcia + I talked about Mac A. He said he had some home conversation w/ Mac A. in which he (h) pointed defects of Mac A. plan. He started to tell reasons for V being made Coy S. He talks of his diary to his son. In this conference it was where he proposed to resign.
